

Disciple Now Weekend

Dear Disciple Now Co-Host,

Greetings! We are so excited that you are going to be a part of Disciple Now Weekend. We have been planning and praying for this weekend for some time now and are glad that it is finally here. Thank you for signing up to help this weekend by being a co-host. It is going to be a blast!

We will be having a host and co-host meeting on **Wednesday, February 18th, at 6:00 pm** in 105 in the main building. Please make every effort to attend this meeting. We will be giving you complete instructions for the weekend as well as provide an opportunity for you to meet your host.

As you know, the aim for the co-host is to assist the host with anything they may need during the weekend. The co-host is also there to build relationships with the students. As a co-host, you may tailor your involvement level during the weekend to your availability. You will have the best opportunity to build relationships with students during the mission project on Saturday afternoon. If you haven't let us know if you can help transport students for this weekend call Jamie at 469-698-2456 and she will get the information from you.

Please partner with us in prayer as we finish the preparations for D-Now 2009. As you pray, please remember the following:

- That God would prepare students' hearts for the weekend
- For safety for all participants during the weekend
- For the session leaders as they prepare for the teaching times
- For JR Vassar as he prepares to speak
- For our worship leader Justin Cofield and band as they lead our worship time
- For salvation of any students that are not believers

En- closed
you will find a schedule and map to your home that includes the phone number. If you are unable to make the meeting on Wednesday, please give the host for your group a call to introduce yourself and let them know what your involvement level in the weekend will be. If you have any questions, please call the Student Ministry office at 469-698-2468!

Thanks again for your participation in Disciple Now Weekend! We are so excited to see how God will use this time to impact students.

Every Kid,

Student Ministry Staff
