DAY 1: DISTRACTION: LISTENING TO GOD THROUGH HIS WORD

"My soul is consumed with longing for your Word at all times"
Psalm 119:20

Thoughts for today: God desires to speak to us each and every day. The question is whether or not we listen to Him? One way to decide the answer to this question is to look at how He speaks to us. One of the primary ways that God speaks to us is through His word, the Bible. This verse goes beyond just saying that we should read the Bible. The writer of this verse says we should be consumed by His word, and long for it at all times. Reading God's word should not just be something we do as part of a checklist, but instead should be something we passionately desire to do. We should wake up in the morning and realize we cannot survive the day without the word of God. Today, I want you to write down answers to these questions. Do you read your Bible everyday? Why or why not? What things are more important to you than the word of God? Pray about your answers. If you do not read God's word, ask God to change your heart so that you desire it more. If you do read God's word, ask him to deepen your passion and understanding of scripture.

TODAY'S CHALLENGE: Set aside a specific time where everything is quiet, and get into the word of God.
