

Dear Student,

Greetings! We are so excited that you are going to be a part of Disciple Now Weekend. We have been planning and praying for this weekend for some time now and are glad that it is finally here. We know that you will be encouraged to grow in your relationship with Christ.

We are bringing in college and adult leaders from around the state to lead you and your small group through several challenging Bible studies created especially for you! Get ready...God wants to do awesome things in your life this weekend! You will be staying in a home of a church member here at Lake Pointe Church...hanging out...studying God's word...snacking on chips...and having a great time with a ton of your friends. We'll be starting the weekend out at the church, so don't be late Friday night! The weekend is also going to include a service project and, incredible worship at the church on Saturday night and Sunday morning!

You need to arrive at the church promptly at 6:30 pm on Friday, February 20th. You need to eat dinner before you come. We want to personally ask you to treat the host family and their homes respectfully during the weekend because if it were not for them, there would not be a Disciple Now Weekend! Please be aware that failure to comply with the rules for the weekend or the host family could lead to an early exit from Disciple Now Weekend. Our goal is for everyone to have a great weekend and experience personal growth and renewal. You can help us reach that goal by giving us your very best and doing what's right! Please let your parents know you will need to be picked up at the church on Sunday morning at noon.
